The Midwest Conference will begin its annual meeting with a celebration of worship and praise, Friday, April 23, hosted by the Evangelical Covenant Church of Lindsborg, Kansas. Bob Stromberg, well-known performer throughout the Covenant and North America, will share his unique and uplifting style of comic storytelling, bringing what we all need...chances to stop and laugh together reflecting on the things that matter.

The business meetings of the conference Ministerial Association and Women Ministries will be held on Friday with the Midwest Conference delegates gathering on Saturday. **Make sure your church is represented at the 124th conference annual meetings!** Registration materials will be e-mailed to your church in March 2010.
