RE: **BIBLE STUDIES LIBRARY**

It has been on my heart for some time now to pursue the possibility of setting up a library of resources for women's Bible studies. Why?

- Bible studies are expensive to purchase – especially when they include a video or DVD.
- Most of our churches have a limited amount to spend on new Bible studies.
- Many of our churches have several Bible studies they are not using at any given time.
- Many of our churches cannot afford to purchase a study which includes a video or DVD.

The “library” will be a list only of “available” or “wanted” studies. We will make the list available to you by mail (if requested) or via our Women Ministries website www.heartsintouch.org. The church desiring to borrow the study would be responsible to contact the lending church to work out the details.
