

Women Ministries
is a self supporting ministry of our
Midwest Covenant Conference

“Living Out Our Mission” Project Grants Fund is the goal of our 2008 Conference Project. But the thing about being able to offer grants is that you have to have funds available to do so!

Through the generous support of the women of our churches these are the kinds of projects we can accomplish together: (Below is a statement from our Project Application form)

“In the name of Jesus Christ, Project Living Out Our Mission is designed to help outreach or care ministries developed by women ministries of our local Covenant churches. A list of suggested categories is included on the application form. Any project receiving funds must exhibit support from the sponsoring Women Ministries group/church.”

Our Conference Women Ministries Board will review applications and distribute the seed money based on the criteria described above and as funds are available for distribution.

Together we can accomplish much more than we think or imagine!
